WALTZED HER AWAY

All society was agreed upon one point -that for me there were but two suitable fiances-my cousin Gontran, the duke de Lannis, and the Duke de Cour-

I saw him-at the ball of the De Fresnes. He did me the honor to dance three times with me, and I went home absolutely intoxicated with joy. But the joy was of short duration, for the

next day he said to his brother, who told his sister, who told me: "It seems that I am to marry my consin Marceline. Last evening I was literally thrown into her arms Out of pure goodness of soul I took nity on the poor little schoolgirl and danced with her three times. But there must be no more of it. I have not yet had enough of life. Besides I know of nothing more ridiculous than marriage between cous-

But that was not all. He also said to Robert, "I saw her in evening dress last night for the first time, and she is so

That night, after Gabrielle had told me all this, I disrobed before the mirror and studied my poor little shoulde.s with their great hollows and had a fit of weeping. Mamma came in the middle

"My angel, what is it?" She took me

But I could not speak. The tears choked me. "My treasure, you pain me. Speak, dearest." Then, to reassure her, I managed to say

between my sobs: "It is because I am thin, mamma! Gontran, last evening, thought I was so thin!"

Thereupon mamma began to laugh. She told me that at 17 she was much thinner than I, and she assured me very solemnly that I would certainly develop. That winter of my first season mamma took me to a dozen great affairs, but they were occasions of mourning and sorrow, for Gontran was not there. He did not want to marry. He even

told me so. I did not know then that this was by order of my mother. One day about 4 o'clock in the afternoon—it was the second day of June mamma came into my room with a look on her face that was new to me. "My

she said, "my child." She had no need to say more. I un derstood. All the evening before at the Prince de Vearn's M. de Courtalin had been with me, and the next morning his mother had told mamma that her son knew of nothing more beautiful than my

Mamma tried to make me listen to a splendid chance. The Duke de Courtalin was the mark at which all the maternal guns were pointed. Great name great position, great fortune.

me, I had but one word to oppose to all these just and proper remarks Gontran! Gontran! Gontran or the conthat_Carmel

M. de Courtalin was perfection. I listened to his praise all the afternoon and hated him. The more he was culo gized the more I turned from him. With Jontran I could be quite at my ease, for he never impressed one with his superiority. I knew but little, but my ignorance, compared with his, was erudi-

Mme. de Courtalin had called to ask my hand for her faultless son. I do not know what mamma said to her after my refusal. I only know that I was left for awhile in peace. And where was Gontran through the

mamma's doing; that when he was in Japan he had brought me a number of lovely little things, placed in a tiny case that bore my name. The case had been All that year one name was sounded in

sent to mamma, but I had never seen it. my ears-Courtalin, Courtalin, always Courtalin. He had all the virtues under heaven. My determination began to weaken, I say it to my shame. After all, what advantage there was

in being a married woman! Absolute freedom would be accorded me. Then the thought of being a duchess was not dis-

All winter mamma displayed perfect taste and exquisite sweetness. She never urged, never tormented me. I know, however, that she said to her friend Mme, de Nelly: "My dear, she will yield before the 20th of June. It must

On that date we left Paris for Aixles-Bains.

And I did not continue to say no with the savage energy of last year. I only awaited Gentran's return. I knew that he would reach Paris on the 2d or 3d of April. The following day he would certainly come to see us.

And so it happened. He called about 2 o'clock, before mamma had quite completed her toilet. I was alone. I ran to

"Ah, Gontran, how happy I am to And I kissed him without ceremony. affected and began to speak such gentle, kind words that my heart melted. He

He kissed me in return, was very much found me a new creature. I was no longer thin. I had grown taller and But just then mamma came in, then

papa and then my brother George. An odious conversation regarding the merits of English and French boats followedow the French boats made better time, how the food on them was so much finer, and so on. It was so enjoyable!

we met him again, by accident, but he for malaria. was no longer himself. He was icy. His good morning was icy; the shake of his hand was icy; his words icy. He was awkward and embarrassed. He quickly lost us in the crowd and reappeared no

I returned to throw myself once more

"No; I will not!" But the "I will elevates her and enables her to com-

At last the 17th of May arrived. It was tacitly understood that upon that evening I would say yes to the patient o'clock in the evening found mamma and me at the home of Mme, de Vernieux, who was giving a great ball.

As I entered I became suddenly awar that I was the center of attraction. A line had formed itself on either side, and little ohs! of surprise and ahs! of admiration went deep into my heart. M. de Courtalin came up to us.

wanted to ask my hand for all the waltzes, for all the quadrilles, for all the evening, for all my life. I answered: "Later on. Presently. 1

feel a little fatigued."

My eyes roamed listlessly over the ball room and perceived, with a start, two other eyes, fixed, settled upon me-two eyes that I knew well, but found it difgrown in that concentrated, wondering look. ficult to recognize, so big had they

Suddenly their owner arose and turn ed toward me. A glance aside showed Courtalin slowly and laboriously making his way toward me from another corner. My consin looked at the same time and saw him.

Then it became a race between the two men. Gontran intrepidly cut through all the waltzers, but he reached me before Courtalin. He came up to me precipitately. He caught my hand; he out his arm about me.

We danced gayly, wildly, furiously, you; I love you! You are grace and beauty itself. There is not another woman here half so lovely! And it is I who shall marry you! Do you hear? I, and

"Ah, my dear, if you had not come tonight, my engagement to M. de Courtalin would have been officially an-

"Ves. but I have come and I am here holding you fast. I have discovered that there is not another woman like you. I

"Slower, slower, I pray you. I am falling. Everything is turning around. Stop!"
"No, no; we shall not stop. If w

ave more to say to you-much more swear that you will be my wife.' "Yes: I swear it. But enough-He held me so tightly, and his face

was pressed so close to my face, his lips so close to mine, that I grew suddenly faint and slipped down into his arms. The next day our engagement was an-nounced. The waltz had created a scandal. It was imperative.-Milwauke Sentinel.

Ayer's Ague Cure is warranted to cure all cases of malaria. Sold by druggists. Price, \$1.

Somebody Tell Him to Keep Quiet.

A high priest of Republicanism and protectionism, a member of the cabinet of the Republican President who signed the McKinley bill and who often parreason. If I refused him, I threw away roted the cry, "the foreigner pays the tariff," is at hand. In an advertisement appearing in the Philadelphia newspapers last Wednesday, John Wanna-

maker said: Forty-one cases more taken out of bond yesterday-under the low tariff. vent, and the most severe convent at And so the stream of fresh new goods flows in day after day, like fresh blood into the body, and thus the business like the body, gets its good health.

It is surprising that anyone supposed that the common people-Abrahan Lincoln said it better "the plain peo ple"-could not count for themselves The reduced charges at the custom houses would make no difference in

What was the tariff fight about if were not to put down prices?

At the first go-off it certainly does that-st least it does it in this store. long summer? Making a tour of the Five per cent., or 10 per cent. or 29 world very quietly and quite at his case. per cent. less duty means something I learned afterward that this also was less in cost. It does not mean full 5, 10 or 20 per cent, less price because the reduction is only on the duties paid. Whatever it is, however, that part comes off the price.

Medical Value of Water.

The human body is constantly under oing a tissue change. Worn out par ticles are cast aside and eliminated from the inception of life to its close Water has the power of increasing

hese tissue changes, which multiplie the waste products, but at the same time they are renewed by its agency, giving rise to increased appetite, which in turn provides fresh nutriment. Persons but little accustomed to drinking water are liable to have the waste prodnets formed faster than they are removed. Any obstruction to the free working ofnatural laws atonce produces lisease which, if once firmly sealed, requires both time and money to cure.

People accustomed to rise in the norning weak and languid will find the suse in the imperfect secretion of wastes, which many times may be remedied by drinking a full tumbler of water before resting. This very materially assists in the process during the night, and leaves the tissues fresh and strong, ready for the active work of the

Hot water is one of our best remedial agents. A warm bath on going to bed, even in the warm nights of summer, is a

better reliever of insomnia than many Inflamed parts will subside under ontinual application of hot water. Very hot water, as we all know, rompt checker of bleeding, and, besides, if it is clean, as it should be, it aids in sterilizing wounds.

ELECTROPOISE

CURES DISEASE. "The Electropoise gave me complete relief from exeruciating pain in three applications. I also find it good for treating children for their numerous ailments."-[C. T. Soden, with Bridgeford & Co., Louisville, Ky.

Mr. G. W. Flint, of Skylight, Ky., says: "I suffered for years with my kidneys, inflammation of the bladder, and enlargement of the prostate gland. After a short trial of the Electropoise I am entirely relieved, and feel twenty years younger."

"I derived more benefit from the use of Electropoise than from all other remedies combined. I think it the grandest invention of the age. It can not be praised too highly."-- [Mrs. M.E. Gorman, Sadieville, Ky., August 20.

John H. Davis, Esq., of Barboursville, Ky .: "The Electropoise is the wife suffered from effects of la grippe for several years; also a complication deal; am now well. One of my neighduce fever and ague, take Ayer's Ague bors is using it for lung trouble, and architect of the Hotel Waldorf, New reports improvement."

As a curative agent the Electropois three months.

A PHYSICIAN'S STORY. DR. C. H. PORTER, OF KENTYCKY, SUF

FERS FOR OVER 25 YEARS BE. and How He was Cured --- An

He was Affected, How He Suffered. Interesting Case.

[From the Mt. Sterling, Ky., Gazette.]

In the mountains of Eastern Kentucky, several miles from the line of the Chesapeake & Ohio Railroad, lives a retired physician and farmer, surrounded by a happy and interesting family.

Morgan, and for years he suffered October: more than many of the patients on whom he called. He was at last cured. and his cure was so startling and mi-[Stanford Interior Journal.] raculous that it was soon the talk of the mountains, and finally reached the neomes of \$4,000 and over, provides Bluegrass. A reporter of the Gazette that it shall begin January 1, 1895, and hearing of the remarkable case, concontinue to January 1,1900, consequent- cluded to investigate the matter in

comes of 1894. They embrace two The reporter reached the home of classes, incomes of individuals and of Dr. Porter, and after introducing himcorporations. The taxable income of self, said. "Dr. Porter. I learn that corporations is that above its operating for years you have been a great sufferexpenses, of \$4,000 and over, and must er, and that you have at last been cured be paid before dividends. Charitable, and by a new discovery in medicine. religious and educational corporations Will you oblige me by relating your

municipalities, building and loan as | In reply, Dr. Porter related the folociations, certain savings banks and lowing: "Iwenty years ago, while livmutual companies. Besides the \$4.- ing in Morgan county and practicing 000 not taxed, the exemptions allowed my profession, I had a terrible nervous individuals are the necessary expenses shock that completely prostrated me, of conducting a business, all interest and from that time until a few months losses in trade or from fires, storms or fact never knews well day. I tried shipwreck, not compensated for by in- everything in the way of medicine that surance or otherwise; worthless debis, I could hear of, and consulted physicians for miles around, but I found no relief, and I resigned myself to the inevitable, as I thought, and awaited the end. A few months are my son saw an account in your paper of a new medicine called Dr. Williams' Pink
Pills and wanted me to try it. I told
him it was no use, that they would do
me no good; but finally he persuaded
me to get Mr. B. L. Tabor, our merchant, to order some for me. After
taking a few doses I felt better and amount of tax due till paid. The tax is chant, to order some for me. After taking a few doses I felt better, and again hope revived in my breast. I continned taking the pills, and continued to improve, and now I believe I have finally recovered. That is about all of the story. I believe Pink Pills saved my life, and I never fail to recommend them to anyone who is suffering. In fact, I can tell you of a man that you fact, I can tell you of a man that you will pass on your road home who has

> G. Bailey, is his name, and you can stop and see him.". After thanking Dr. Porter, an bidding him farewell, the Gazette man started for Mr. Bailey's residence. He was found on his farm cutting some trees down. In reply to our inquiry. Mr. Bailey said: "Yes, Dr. Porter has told you the truth. I suffered for years with rheumatism, and was only able to leave my room in good weather, and then was not able to do any work. I saw Pink Pills advertised, and was election sure with God and you will Mr. Bailey said : "Yes, Dr. Porter has urged by Dr. Porter and other friends to try them, but I had no faith in patent medicines, and for several weeks patent medicines, and for several weeks through the face of t positively refused to try them. They ing for mamma, papa and little brother finally overcame my prejudices, howver, and I am glad of it, for yo see yourself what Pink Pills have done for me. Come to the house, and I will show you my crutch and cane which Pink Pills have enabled me to lay aside.

been almost completely cured of rheu-

matism after years of suffering, Mr. S.

I have also been giving these pills to s neighbor's child, which has scrofula, and it is improving right along." The reporter next visited the store of B. L. Tabor, who corroborated the testimony of Dr. Porter and Mr. Bailey. Mr. Tabor further said that he had never handled a medicine that had given such universal satisfaction as Pink Pills, and it was almost impossible to supply the demand. The address of all the gentlemen referred to is Elliottsuille, Rowan County, Ken-

tucky, and anyone can have these state ments verified by writing to them. Dr. Williams' Pink Pills contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica neuralgia, rheumatism, nervous headsche, the after affects of la grippe, palpitation of the heart, pale and sallow complexions, and all forms of weakness proved them and amprepared to enter either in male or female. Pink Pills tain the public with the best of fare and are sold by all dealers, or will be sent at most reasonable rates.
